

# whobaby

## THE EARLY FOETAL BIOLOGICAL SEX DETERMINATION TEST

whobaby is an affordable blood test that can be performed on the mother's blood from the 10th week of pregnancy to determine the baby's biological sex at a price of R1 600.\*

The whobaby test is available at your nearest Ampath care centre via either self-referral or doctor's request.\*\* Test results will be available on the Ampath App within 7 working days.

Kindly contact the Andrology laboratory for additional information at 012 423 0560/2 or email [andrology@ampath.co.za](mailto:andrology@ampath.co.za).

\*Price valid until 31 December 2024 (medical aid reimbursement not applicable).

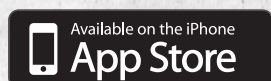

\*\*Please note self-referral testing is only available for patients older than 18 years.

### AMPATH APP

Your test results are available to you through our easy-to-use Ampath App, downloadable from your App Store.
